For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Isaiah 9:6

Dear Friends,

The year has been grateful and successful through the efforts manifested among all stakeholders involved in Real Stars by supporting a child and embracing concern to every step made forward. This has come and enabled by the almighty God who has purpose for every work he assigns to his people. Giving a helping hand to vulnerable groups shows improvement and instilling knowledge to able people who couldn't have done it without being supported. We are thankful and happy working with our international team including volunteers and co-workers from Kenya and Germany who are focused dedicated to duty and willing to learn for a good change. We are excited for new volunteers to join our team in the coming year

challenges they go through God can stand in for them and be a conqueror. They interact, learn and exercise the biblical teachings to keep them abided and strong to serve people in any set of the society.

Life changing sponsorship

We are so thankful that we found sponsors for several children from our waiting list who were unable to go to school for a long time. The parents are always stranded when the year begins since they cannot afford to pay school fees. We praise the lord that a child whom the Mother wanted to sell (exchange for cash) got a sponsor! The mother cannot even now give a good reason for such intention because she couldn't imagine this refuge of her child could come in life. Enabling this family's smile is a great concern commissioned by the good heart for Children.

Christmas in Kenya

It's Christmas time and the birth of our saviour Jesus Christ is celebrated all over the world. Here in Kenya people celebrate Christmas on 25th of December. During this time most of the families come together, celebrate by having meals and sharing how the year has been. Families gather in churches for service and share the word of God. Real Stars has presents to offer during this period because most of the families are not capable of buying food stuffs for the Celebration. By so doing, they feel part and parcel of the fellow Kenyans hence creating high self-esteem especially in
