Newsletter February 2016

Trust in the lord with all your heart and lean not in your own understanding, in all your ways, acknowledges him and he will direct your path. Proverbs 3:5-6

Dear Friends,

The year has started well and exciting. In this newsletter we have some great news from our children, some insights in our work and an introduction of Michael who is desperately looking for a sponsor...

Some children made us proud!

This month we have great news since our kids who sat for their end year exams are all joining high school. They did very well and passed their exams. Some had a total score of 342, 354 and even 404 out of 500. Given the circumstances they come from these are really good results.

All the kids in our program have reported back to school for a new term, and they are all happy because they were promoted to the next class.

School leavers' camp

Some of our children who had done class eight had an opportunity attend a special holiday camp for class eight leavers at Diguna. They really enjoyed it and had lots of fun, meeting new friends and knowing Jesus even more.

Our "RealStars"

We are so grateful that three of our children in our pending list got sponsors this month! One of them was rescued in Kibera slum. After Amelia's parents passed away she stayed with her sister. The situation got worse as her sister's husband started to abuse her. She was desperate and wanted to run away from home. Her neighbour pointed us to her needs and with the help of a sponsor we were able to send her to a boarding school where she can now study in peace. We thank God for opening doors for needy kids like Amelia who now have the opportunity to go to school.

+++ ANNOUNCEMENT +++
Rose Muiu will travel to the northern part of Germany in May and June 2016 to visit friends, sponsors and partners.

The new RealStars Building

We are excited about the new building we are constructing in the outskirts of Nairobi. Although there still is a lot of work to be done we hope to

move in in May. Thank you to all our well-wishers and **"Hilfe für Brüder International"** for the money and support towards the building. Since we will only use a part of it as office we will rent out the remaining apartments. This is part of our initiative to be more self-sustaining by gaining local funds independently which we can use to send more children to school. We trust God that He will provide the funds to finish the remaining apartments. With the first rent we plan to take Daniel Wakholi to Medical University!

Business Seminar

We believe that local businesses have a crucial impact in the development of our country and can take families out of poverty. This is why we continue with our seminars for micro businesses. In January we trained a group of 18 members who were saving and now

want to start businesses. After completing the one week training they expressed their appreciation through a gift of 30 eggs they handed over to our facilitator Sven.

Parent's and Children's meeting

We are still thankful for the special meeting we had with the parents last year. It is good to have time to talk with them about their children, how important it is to love, guide and to support them. If we want our children to do well at school we need the parents to

support them wherever they can. At our children's meeting we had two speakers who talked about focusing on their goals and study hard so that they can achieve their dreams.

Sponsor a Child!

Michael stays in a slum called Umoja with his mother and one brother. His father passed away in the year 2013 after a short illness. The shop his mother run together with his father went down as they had to spend most of their savings for the medical bills.

Therefore the mother could not afford to pay the school fees for Michael. Early this year, Michael was knocked down by a vehicle but he has recovered from the injuries. You can help to enable Michael to return to school so that he can one day take care of his family and help them to get out of poverty.

Greetings from Kenya
YourRealStars Team

We are thankful...

... for the good results of most of our children.
... that three new children can visit a school thanks to new sponsors.
... for the progress on our new office building.

Please pray with us...

... for the journey of Rose Muiu to the northern part of Germany in May and June 2016.
... for our children who joined new classes or even high school so that they perform well.
... for the business people who have been trained so that they can support their families better.
