Newsletter May 2016

Here fore we do not lose heart. Though outwardly we are wasting away, yet inwardly we are being renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all. So we fix our eyes not on what is seen, but on what is unseen, since what is seen is temporary, but what is unseen is eternal. 2 Corinthians 4:16-18

Children's Meeting

This month our children are closing school for their holidays,

and we had some activities for them. During our children's meeting we had some powerful speakers giving some motivational talks. We discussed relationships and discipleship. Our guest speaker Hilda from the Nairobi Chapel shared about "SMART Goals" and

choosing the right friends. Our board member Gideon spoke to our children on following instructions and becoming good leaders of tomorrow. It was an encouraging time for all of us.

Children's Camp

We try to give every child in our program the opportunity to attend two Christian holiday camps per year. In April we had a camp for children from secondary school.

They heard stories about Jesus, talked about identity and had a lot of fun in different games. This is always an impressive experience for our children who mostly come from difficult backgrounds.

The new RealStars building

Since the first floor of our new office building is almost finished we had a celebration

with dear friends and partners in March. During our "office launch" we gave praise to our God who made it possible to achieve such a goal with the help of many supporters. We shared stories about the beginning of RealStars and the journey of our organisation. It was encouraged to have so many

friends around and to celebrate this special day for us. We are looking forward to move into our new office soon.

Sponsor a Child!

In the last RealNews we introduced Michael and we are happy that one family in Germany has committed to sponsor him! This time we introduce **Michelle**. She stays in Kawangware slums with her mother and 2 siblings. The single mother is not able to pay Michelle's school fees because she is jobless. She does casual work such as washing clothes for neighbours' and the little she gets is used to buy food and other basic needs.

Michelle is a bright girl but she is dragging behind because she is most of the time chased away from school due to lack of school fees. Michelle would like to be assisted with school fees so that she would study hard, have a bright future and assist her mother and siblings.

Rose Muiu visiting Germany

In May and June our founder Rose Muiu is visiting the northern part of Germany. She will visit friends, sponsors, partners and share about the work of RealStars in many churches. We are

thankful for this opportunity and pray for a blessed time with great interactions.
