*For to us a child is born, to us a son is given; and the government shall be upon his shoulder, and his name shall be called Wonderful Counselor, Mighty God, Everlasting Father, Prince of Peace. Isaiah 9:6*

RealStars at the Global Leadership Summit

**Dear Friends of RealStars,**

Merry Christmas from everyone here at RealStars! Thank you for being part of the RealStars family this year. We have been blessed to see through 2016 and we are praying that 2017 will also be full of God's blessings. We have some amazing news to share with you...

## Global Leadership Summit

The whole RealStars team visited the Global Leadership Summit by Willow Creek this year in Nairobi. During the two day summit we learned a lot about leadership, team building and working in intercultural teams. It was very interesting to interact with people from different organization and you can learn from each other.

## Parent's Meeting

The communication with the parents of our children is important to us. In our last parent's meeting we shared about the importance of parenting, their role as parent or guardian and the chances of saving. It was a powerful meeting with a guest speaker and in-house talks.

## Children's Meeting

Every term our children are looking forward to our Children's Meeting. This term we had a lot

of fun together. We had great guest speakers who shared about their experiences with God and life. One young speaker told his story coming out of a poor family in Kibera and his way to become the 3<sup>rd</sup> best pupil in Kenya

Children's Meeting

and finally launching his own organisation. That was a very impressive role model and success story. After lunch and some in-house talks we had a Christmas present for every child: A colourful and warm Maasai blanket.

## Children Camp

Our children had a wonderful time during their one week Christian camp. They have been active spiritually, socially and physically and also made friends with other children from different organization.

*Business Seminar in Kibera*

### **Business Seminar**

Every year we have students from Kibera who have cleared their form four and are keen to attend our business seminar. This year Sven had a very active and interested group of 14 students who were proud to write their business plans at the end of the seminar. If you want to attend one day of our business seminars in 100 seconds you can see an exciting **time laps video** here: [www.bit.ly/realstarsseminar](http://www.bit.ly/realstarsseminar)

### **Opera**

Doreen, the wife of our co-worker who trains our business seminars, is opera singer by profession. This year she staged the opera "Hansel & Gretel" together with

local and international artists. It was a privilege for 14 of our children to get a complimentary ticket for the opera performance at the Kenya National Theater. For the first time they heard a trained opera voice live and followed the full staged opera with excitement. They really enjoyed their day and will probably never forget this special experience.

### **For unto us a child is born**

The RealStars family is happy for a new member! Our social worker Elizabeth gave birth to a healthy baby boy called Hershel. We wish Elizabeth and her family Gods blessings for a bright future together.

*Welcome baby Hershel*

### **Do you want to sponsor a child?**

See details on [www.RealStarsKenya.com](http://www.RealStarsKenya.com) or email us: [realstars.kenya@gmail.com](mailto:realstars.kenya@gmail.com)

### **Construction**

The first floor of our new office building has been completed thanks to all of you who participated in the contributions. We still ask you good people to stand with us even as we continue with the remaining three floors of the building so that we can be able to rent out the apartments to take more children to school. We have over 60 children in our pending list waiting to join school.

### **Sponsor a Child**

Veronica is a 18 year old girl and used to join form one at Kyamulendu high school. She is the seventh born child in a family of eight children. Veronica stays with her single mother and siblings after the death of her father. Her mother does odd casual jobs to earn a living for her children but she is unable to raise school fees to educate them. Veronica is currently not in school, she was send home due to lack of school fees. None of her elder siblings is working and only one of them was able to finish school. Veronica is very determined to pursue her dreams through education and would like to get a sponsor to assist her with school fees. She voluntarily cleans the church every Saturday for Sunday service.

*Veronica wants to go to school*

***Warm Christmas greetings from Kenya
