*Blessed be the Lord who daily loads us with benefits, the God of our salvation. Psalm 68:19*

**Dear Friends,**

Thank you for your continued support and prayers! It's our prayer that the good Lord has been gracious to you as well as your families as He has to us. Herein, is Real News...

*The RealStars Family*

### **Rose visits to Germany**

RealStars director will be going to Germany for two months to strengthen relationships with current and hopefully new sponsors for our children who are still in the waiting list. She will be addressing congregations in churches, approaching Real Stars friends and well-wishers in the northern part of Germany. It is our prayer by the end of this year to get sponsors to support over 100 children we have in the pending list so that they can join school.

### **Parents meeting**

Our termly parent's meeting was held on the 4<sup>th</sup> of May. The topics touched on; respect in connection with their children, the power of micro businesses as a means of income and how to invest in their children's education. They were very motivated and some will come

for our business seminars to enhance their knowledge on business.

### **Business seminar**

In partnership with Christian Services International, an NGO funded by the German Government, we are glad to

continue impacting positively in the lives of aspiring and micro businesses through our businesses trainings. This May we are set to hold a business seminar for a week which targets our form fours leavers and some of our parents, aiming to empower them. So far, we have trained over 270 small businesses in

Kenya and a good number of our trainees are doing well.

### Sponsor a child

Our social workers visited eleven families in Mwingi County recently and the condition there was wanting. These families are deeply entrenched in poverty and their children have to walk for over 20 kilometres mostly on empty stomach so as to get to school. It is touching how poor these families were yet their children are still willing to walk for long distance bare footed to seek education. Today you can commit to give **50 €** per month to see one of these children go to school and uplift his or her family in future. ### Youth Camp

This Easter holiday over 40 of our children went

for a Christian youth camp at AIC Diguna Mbagathi. They had lots of fun. The theme for the camp was 'The Gospel' and it is our prayer that even as they go back to

school they will continue to spread the word of God and strive to abide by it.

### Bag campaign

Can you imagine our beneficiaries have used these school bags for over four years!!! It is our prayer that all of them would have them. With your help this can be made possible.

Therefore, we are giving you a chance to do good by making more children as the one in the

caption smile. If you happen to have this bag and you are not using it anymore our director who will be in Germany from May to July will be more than happy to ensure your donation reaches of our beneficiaries.

### Agape Starlight Education Centre

Our number one goal has always been to see children from poor backgrounds receive good education. Our heart broke as we saw this well performing school being forced to close

because they couldn't afford the rent. We praise God for the funds He has provided through generous well-wishers and donors to buy

this school in Dandora which can now continue with their great work. We trust that He provides the balance of 6300 € by end of June.

### Children's meeting

It is always a privilege to hold the children's meeting. During this time we get to interact with them, find out how they are doing. We also have speakers to talk to them about tackling challenges they face in life. We had a children's meeting with a number of speakers and a pastor who touched on topics such as my body as the temple of God, self-awareness and identity, peer pressure, teen sexuality and drugs. *Best wishes from Kenya*

### Your RealStars Team

#### We are thankful...

...that Theophil and Markus Jurczok contributed the largest chunk towards buying Agape Starlight Education Centre in Dandora which can now continue with their great work.

...for the good health of our children despite the rainy season.

...for the good interactions we had with our children in the past months.

#### Please pray with us...

...the owner of Agape Starlight Education centre has agreed to transfer the school's ownership because of the trust he has in Real Stars despite a deficit of **6300 €**. It is our prayer that we will settle the balance by the end of June.

...for the 100 plus children on our pending list to get sponsors.

...for journey mercies for Rose.
