Newsletter July 2018

Weeping may tarry for the night, but joy cometh in the morning. Psalms 30:5

Dear Friends,

Greetings from RealStars! We are excited about what has happened in the past months and we want to share our joy with you in this newsletter...

The RealStars Team while Rose is in Germany

Agape Starlight education centre

God is good and His mercies endures forever...We praise God for enabling us to meet the deadline of June 2018 for purchasing Agape Starlight which will see more than 300

Joyful kids at Agape StarLight

children go to school and know the word of God through daily devotions. The school was almost forced to close

because they couldn't afford the rent. Through this purchase the long-term existence of this education centre is now guaranteed. We extend our gratitude to Theophil and Markus Jurczok and all others involved for making this possible.

A brighter future...

Cynthia, one of our beneficiaries at RealStars, is a very humble girl. She patiently waited to be sponsored to school for two years. Currently, she is a student in one of the most prestigious Universities here in Kenya. Despite the difficulties and challenges she overcame all odds and now she is

Business seminar

We are thankful for the good development of our business seminars. To ensure this project runs sustainably in the long term, we focus on

Training of trainers

training new business trainers this year. After 4 RealStars co-workers have been educated as seminar trainers, we decided to train people from other organizations as well so as to reach more people with our program. In May we trained twelve people on how to facilitate the RealStars Business Seminars. Most of them were from our partner Tumaini Ministries, who will teach our business trainings in their churches soon. This way we hope that many small businesses will be impacted across the country.

Our success story

Samuel M., one of our beneficiaries, was raised by a single mother who could not afford to pay for his university education. He was at the verge of losing hope for his future despite scoring good grades in high school.

Samuel has graduated and is running a business

When he got a sponsor to see him through his university

education he was very happy. He has graduated with a Bachelor of Procurement and Supply Chain Management and is currently running a small business of supplying stationaries that is doing great.

Sponsor a child

Grace is in nursery at Kingingo Primary school. She has poor health due to lack of proper diet. She works very hard in school and her favourite subject is science.

She lives in Kitui County with her mother and five siblings. They stay in a two roomed mud thatched house. She is the fourth born in her family.

Her mother, the only breadwinner takes care of her family by doing odd jobs, mainly fetching and selling water, helping people in their farms because her husband abandoned her and the children. Life has become very tough raising all the children because she does not have a reliable income.

Grace needs a sponsor

Grace is seeking assistance so as to realize her dream of becoming a doctor. If you are interested in sponsoring Grace you can reach us via email realstars.kenya@gmail.com

Best wishes from Kenya

Your RealStars Team

We are thankful...

*... for a blessed trip of Rose Muiu, our Executive Director, to Germany.
...for the new sponsors we got for the children on our waiting list.
... for our six children who joined college and university.*

Please pray with us...

*... for our 90 plus children on the waiting list who need to be supported to go to school.
... for our 2018 candidates who are sitting for their national exams this year.*
