RealStars - RealNews

The Lord says I will teach you in the way you should go I will instruct you and advice you. Psalms 32: 8

Dear Friends,

Greetings from RealStars! We're grateful for God's grace through the past few months and we would like to share His greatness with you herein in the Real news...

Students joining college

We are thankful that 10 of our beneficiaries are to join different colleges and universities across the country to pursue different courses. We have noticed that since they cannot commute from their homes we have to come in and pay for their accommodation. Paying accommodation for four years which is money that will never come back is equivalent to buying land that can be used to house most of them since come next year we will have 16 more beneficiaries joining colleges. Please join us in prayers as we trust God for funds to purchase a place that we can use to house our College beneficiaries which would enable us to work more sustainable in the long term.

Kibera demolitions

It's with great sorrow that we are experiencing demolitions in the Kibera slums where the majority of our beneficiaries reside. The operation has so far affected four of our beneficiaries' homes who used to reside along the railway tracks. Please pray with us for

these families for protection and for them to be able to source for substitute homes.

Kibera slum demolitions

Evaluation

It was great to have been evaluated by SPUR Africa, this process was very helpful to RealStars and its employees. This enabled the staff in different departments to identify areas they need to improve on and gave them affirmation of the things they are doing well.

August Holiday camp

The children activities for the August holiday

Some of our children at the camp

was excellent they had a one week stay at AIC Diguna where they camped and were taught so many topics such as spiritual purity and sexuality and they had fun sessions, talent shows, sports and the camp fire. In addition to all these, several of our children also had an opportunity to have sessions with their mentors.

Children's meeting

We are thankful for the very successful Children's meeting we had. A good number of

Our beneficiaries at the children's meeting

our children turned up for this event and we had a great theme on "choosing your career and giving back to the community".

It was a fun filled event that also included puppet show for our younger children which they really enjoyed Bible stories from the book of Samuel and Joseph.

Training of trainers

The RealStars trainers did a training of trainers for micro business trainings in conjunction with TUMATI which focused on youths from Kibera and different

churches in the community. The trainers recruited young men in their different

Successful business training by TUMATI

residential areas and conducted the training once a week for four weeks.

Sponsor a child

Joy is a seven year old girl currently in grade two. She is the first born in a family of three.

They live in a two roofed mud thatched house.

Joy needs a sponsor

Her mother is the only caregiver of the family however she is challenged to do casual jobs as she has a 10 month and 3 years old babies whom she doesn't have anyone to leave with while working. Joy would

like to become a Mathematics teacher in future. If you wish to support her realize her dreams you can reach us via email realstars.kenya@gmail.com

Best wishes from Kenya

YourRealStars Team

We are thankful...

*...For computers donations we received for our beneficiaries
...For the mentors who had sessions with their mentees.*

Please pray with us...

*... For our 2018 candidates who are sitting for their national exams this year.
.....For protection over the Real Stars families whose homes were demolished.*

Do you want to sponsor a child?
